Each tent site has a kybo (outhouse) assigned to each site nearby with handwashing station on each site. There is no shower access for tent sites.

Drinking water is available from the outside tap at Beaver Lodge.

Minimizing the risk for COVID-19 transmission and maximizing opportunities for fun & adventure is the goal at Impeesa for Family Camping!

Here are a few things to keep in mind when booking and during your visit:

- One member of your immediate family from the same household must be a registered member of Scouts Canada.
- All members of your family must be listed at registration and those are the only people allowed on your site. No visitors are allowed during your stay.
- Youth under 18 must be accompanied by an adult from their family bubble at all times when they are off of your site.
- You have access to outdoor spaces only and the usage of indoor facilities will not be permitted - building will be locked.

- Tenting sites each have:
  - A designated picnic table
  - A designate outdoor washroom, porta-potty (out house)
  - A designed fire pit for family size campfires, no bon fires allowed! A water jug from up at Beaver Lodge tap area must be filled on your site for safety with the campfire. (Must comply with all municipal fire regulations). Campfires must not be left unattended.
  - Firewood will be provided. Outside wood is not permitted on the property
  - A designated portable handwash station, with running water
  - A designated pull wagon is available to get gear to your site
  - A designated parking spot in the upper parking lot
  - A designated check-in area in front of parking space on the island
- Potable water is available at the outdoor tap at Beaver Lodge.
- Masks are required during time at water tap and in any other area or circumstance where close contacts (even in passing) may occur/screened before accessing their accommodation or any other areas of the Camp. All guests, including youth, must remain in their household bubble and a safe distance from others at all times.
- All guests are required to be checked-in.
- At check-in you will be provided with at least two of our Volunteer's phone numbers that you are asked to call if you have a question about your property or have an issue that we can help resolve. If needed a Volunteer will be on site at the property within half an hour. You may also see them on site at any time during your stay to assure all is ok.
- "Leave NO Trace" principals should be observed at all times. We ask that guests refrain from disrupting or altering the Camp's natural habitats.
- Quiet time is from 10pm until 7am.
- Pets are not permitted.
- Consuming of alcohol, cannabis, or an other illicit substance is strictly prohibited.
- Camp Impeesa is a non-smoking Scouts Canada property.
- At check-out our Camp Volunteer will meet you at your camp site and ensure that the campfire is put out and the site is as clean or cleaner than you found it.

**NOTE:** Camp Impeesa is home to a diverse wildlife population. Proper food storage and disposal is essential for the comfort of guest, cleanliness of the sites and the well-being of all.

Guests on all tent sites will be required to properly store and dispose of food and waste. This information will be reviewed and discussed upon check-in.

**NEARBY OFF SITE ACTIVITIES:** If you would like to plan some daytime activities off site or a great place to eat here are a few ideas --

**Pinehurst Conservation Area** is 10km - 8 minutes from Camp where for a day use fee you can hike their many trails, swim, fish or canoe, kayak or paddle boat on flat water.
